**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37C.F.R. § 1.181**

Applicant hereby petitions for the revival of this application and moves that this application be forwarded to the Publishing Division for processing into a patent.

The nature of the abandonment is as follows:

On February 9, 2007, the Office mailed a Notice of Abandonment, citing the reason for abandonment as failure to pay the issue and publication fee within the time prescribed.

On March 7, 2006, the undersigned reviewed his records and noted that, due to an unintentional oversight, Part B of the Notice of Allowance (PTOL-95) for this application was not timely submitted on March 6, 2006. However, the issue fee had previously been paid.

On March 10, 2006, the undersigned filed a Petition to Revive Presumably Abandoned Patent Application.

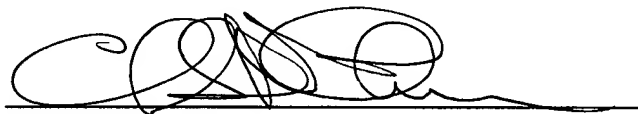

On April 4, 2006, the Office mailed a Decision On Petition, a copy of which is attached hereto, specifically granting the undersigned's March 10, 2006 Petition and stating that "This matter is being referred to the Publishing Division for processing into a patent."

This present petition is being submitted under 37 C.F.R. § 1.181 within two months of the mailing date of the Notice of Abandonment.

It is believed, and proved by the enclosed copy of the April 4, 2006 decision of the Office, that all the requirements for grant of the application have been met, and that the Notice of Abandonment was issued in error.

It is further believed that no petition fees are required. However, to the extent there is any additional fee required in connection with the receipt, acceptance and/or consideration of this paper and/or any accompanying papers submitted herewith, please charge all such fees to Deposit Account 50-1943.
